Your ceremony can be inside in our cute-as-a-button chapel, which seats 80 guests, or outside* in one of the many beautiful garden areas, which will include 50 chairs, signing table/chair. If you choose to have your music on an iPod/phone etc. please nominate a guest to take care of this aspect of your wedding day, you will be required to provide your own speaker. Alternatively you can contract any kind of musician to perform for your wedding, they will have to provide all their own equipment.

*Wet weather options are available for outdoors ceremonies.

Your afternoon reception will be in one of our beautiful garden areas where your guests will be able to relax and enjoy the tranquil setting, whilst you are having your bridal party photos.

Your evening reception will be held in our Regatta Lounge, which we will be set up with tables, chairs, white lycra chair covers, white linen tablecloths/napkins, cutlery, crockery and glassware. You can have a long head table and then your guests will be seated on round tables, each of which can seat up to 8 people, we will also provide a cake table and gift table. There is a large designated dance floor with ample space for your DJ or band to set up or you can opt to play your own music through our internal sound system.

cuisine

Our chef designs each wedding menu based on the freshest local and seasonal ingredients that we can get our hands on. We work with local producers and suppliers to make sure we use as much local produce as we can, including our very own Henley Hotel kitchen garden. We will also work with you regarding any dietary requirements or children's menus.

Menu styling ranges from a cocktail reception with canapes and champagne, buffet style, shared platters, or a more traditional set menu.

Please ask for a copy of our latest in-season menus.

Please note the only food items you are allowed to provide yourself are your wedding cake and favours.

beverages

We offer a wedding beverage list of premium wine, methode champenoise & champagne, spirits, beer and a range of non-alcoholic beverages. Please just ask us for our current beverage menu. Beverages outside of our wedding beverage menu (such as specialist craft beers or particular brands of gin, whisky etc.) can be arranged with ample notice but will be supplied by Henley Hotel.

With your beverages you can choose if you would like to pay for all drinks consumed during the afternoon/evening or whether you would like to opt for a cash bar, where your guests buy their own drinks- you can, of course, do a mixture of both or set an amount on a tab.

You can also choose to have table wines if you wish. Please be mindful that we do not allow BYO beverages.
